

## South Jordan City Drip System Conversion Kit

The City of South Jordan provides drip system conversion kit or a voucher to its residents to assist them with converting existing turf parkstrips to parkstrips with water-wise plants. This program may be used in conjunction with the Water-Wise Plant Rebate program. Each kit includes all the necessary parts to convert a standard parkstrip from traditional spray heads to a drip irrigation system. To receive a drip system conversion kit, you must verify that you are a resident of South Jordan when you pick up a kit or voucher. Kits are limited to one per South Jordan address.

**Please review the following program guidelines and fill out the required information.**

- You agree to use the drip system conversion kit (“Kit”) within the parkstrip at the address you provide below. The kits or vouchers are issued to you by the City of South Jordan (“City”). The kit must be installed at the address provided within 90 days from the signed date of this form. City may verify the Kit is installed in the corresponding parkstrip after that 90-day period. If City is unable to verify that the Kit is not installed at the address you provided, you must reimburse City the full cost of the Kit (\$89.92)
- For the purpose of determining the water saving effectiveness of this program, you agree to allow City to examine municipal water use records of participating residences.
- City makes no representation or warranty that you will be satisfied with the Kit or the condition of parts supplied in the Kit.
- City assumes no liability for any loss, damage or expense in connection with the materials, workmanship or fitness of the Kit or with the use of the Kit.
- City assumes no liability for the design, manufacture, installation or operation of any Kit City makes no warranty, express or implied, including, but not limited to the warranty of merchantability and the warranty of fitness for a particular purpose for any Kit it provides.
- You hereby release and agree to hold harmless City and its elected officials, agents, employees, officers, and representatives from any and all claims, losses, harms, costs, liabilities, damages and expenses directly or indirectly resulting from or related to the Kit and its continued use.
- This offer does not include any offer by City to provide labor for installation, removal or disposal of any plants or irrigation system parts. You are responsible to use the Kit to install a drip irrigation system, plant any new plants, and make other necessary arrangements to comply with the City’s requirements. You may do the work yourself or hire a private contractor to do the work for you.
