Please review and sign the following program guidelines and important information before submitting rebate:

- Please allow three to four weeks to process the request. A check will be mailed out to the address listed on the rebate form.
- The voucher is non-transferable. Only the person whose name appears on the voucher can redeem and sign it.
- Water-sense fixtures purchased by homeowners for the program are intended for their own personal use in the location provided and shall not be resold.
- The voucher is for South Jordan City's indoor water fixture replacement program only. No other rebates or refunds will be issued.
- South Jordan City makes no representation or warranty that the home owner will be satisfied with the performance or the purchase of the water-sense fixture.
- South Jordan City assumes no liability for any loss, damage, or expense in connection with the materials, workmanship, or fitness of the water-sense fixture; or its installation; or with the use of these items.
- The home owner hereby releases and agrees to hold harmless South Jordan City and its employees from any and all claims, losses, harms, costs, liabilities, damages, and expenses directly and indirectly resulting from or related to the water-sense fixture installed.
- Any water-sense fixture for which a voucher is issued is subject to on-site installation verification. If the water-sense fixture installation cannot be verified, the home owner shall return the full rebate amount to South Jordan City. Units must be installed within 30 days of home owner's receipt of the water-sense fixture.
- The rebate offer does not include any offer by South Jordan City to provide labor for installation, removal, or disposal of any fixtures. The home owner is responsible to remove their old fixtures, installation of the new fixture, and disposal of any old fixture. Home owners have the option to do the installation themselves or hire a private contractor.
- South Jordan City does not warranty or assume any liability for the design, manufacture, installation, and operation of any water-sense fixture. South Jordan City makes no warranty, express or implied, including but not limited to the warranty of merchantability and the warranty of fitness for a particular purpose, about any water-sense fixture received, installed, or used by the applicant.

For the purpose of determining the water saving effectiveness of this program, the homeowner agrees to allow the City of South Jordan to examine municipal water use records of participating residences. The home owner also allows City staff to verify the installation of the purchased equipment.

I understand and give permission for my water use records to be examined:
