**Use the following list to determine if you qualify for the water-wise plants rebate.**

#### Requirements for rebate:

Check if apply	Rebate Requirements
	Drought tolerant plants purchased and planted are water-wise plants that are: <ul style="list-style-type: none"> <li>Clearly identified as drought tolerant or slow the flow.</li> <li>Listed on JVWCD's plant list (<a href="http://conservationgardenpark.org/plants/">http://conservationgardenpark.org/plants/</a>)</li> <li>Or listed in the water-wise plant state website (<a href="http://www.waterwiseplants.utah.gov/">http://www.waterwiseplants.utah.gov/</a>).</li> </ul>
	Drought tolerant plants are irrigated with a drip system or separated from the turf grass area (separate zone).
	Applying resident is planting water-wise plants within South Jordan City boundaries.
	If a developer or contractor applies for this rebate, they shall require the homeowner or homebuyer to acknowledge and sign the rebate form.

#### To obtain your rebate:

1. Read requirements and determine if you are eligible. Make sure that drought tolerant plants are already planted by the time the rebate form is submitted.
  2. Send original receipts as proof of purchase to the City showing the name of the plant within 30 days of plants being purchased and planted.
  3. Provide a picture of the drought tolerant plant and the location where it was planted.
  4. Provide a picture of the working drip system that irrigates such plants and/or the information regarding irrigation cycle and time assigned to this specific irrigation zone.
- Submit receipts and form (filled out and signed) to:

South Jordan City  
Attn: Jordan Allen  
10996 S. Redwood Rd.  
South Jordan City, Utah 84095

Please review the following program guidelines and other important information:

- Please allow four to six weeks to process the request. A check will be mailed to the address listed above.
- The voucher is non-transferable. Only the person whose name appears on the voucher can sign and redeem it.
- Drought tolerant plants purchased by homeowners for the program are for their own personal use in the location listed above and shall not be resold.
- South Jordan City makes no representation or warranty that the homeowner will be satisfied with the look, arrangement, and expectancy life of the plants.
- South Jordan City assumes no liability for any loss, damage or expense in connection with the materials, workmanship or fitness of the drought tolerant plants; or the installation of the drip system as required by the rebate; or with the use of these items.
- Homeowner hereby releases and agrees to hold harmless South Jordan City and its employees from any and all claims, losses, harms, costs, liabilities, damages and expenses directly or indirectly resulting from or related to the selection, planting, and care of the drought tolerant plants and the irrigation system.
- Any drought tolerant plants for which a rebate is issued is subject to an on-site planting verification. If the drought tolerant plants planting cannot be verified, the homeowner shall return the full rebate amount to South Jordan City. Plants must be planted within 30 days of homeowner's receipt of the purchase of such plantings.
- The rebate offer does not include any offer by South Jordan City to provide labor for planting, removal, or disposal of any plants or irrigation system parts. Residents are responsible to install the drip irrigation system if applicable; planting of the new drought tolerant plants, and/or other arrangements necessary to comply with the City's rebate requirements. Homeowners may do the work themselves or hire a private contractor.
- South Jordan City does not warrant or assume any liability for the design, manufacture, installation or operation of any of the changes made to the homeowner's irrigation system and/or the life expectancy of the plants purchased. South Jordan City makes no warranty, express or implied, including, but not limited to the warranty of merchantability and the warranty of fitness for a particular purpose, about any drought tolerant plants received, installed, or used by Applicant.

For purposes of determining the water-saving effectiveness of this program, *homeowner agrees to allow the City of South Jordan to examine municipal water use records of participating residences. The homeowner also allows City staff to verify the installation of the purchased equipment.*

**I understand and give permission for my water use records to be examined:**

South Jordan City's Water-Wise Plants Rebate Program is a product rebate program of South Jordan City funded by Jordan Valley Water Conservancy District. Effective rebate date will begin on **July 1st** until funds are exhausted. Rebates are offered independently of any sale prices or rebates that may be concurrently offered by manufacturers or vendors. The filing of this rebate form does not constitute an agreement between the filer and the City. Acceptance of this form does not constitute acceptance of filers claim for a rebate or guarantee that filer shall receive any funds as all rebate awards are made subject to funding limitations. Submitting fraudulent receipts or other fraudulent evidence of compliance with the rebate program is a crime.
